

## WALL STREET

At the opening blocks showed a wavering tendency. A few quotations were above last night's close, with Brooklyn Rapid Transit in demand, advancing to 94, while American Cotton Oil was sold down to 39 and Canadian Pacific down to 39 in the first half hour, recovering part of the loss, but dropping again later in the day when heavy selling forced a number of the active leaders down. Chesapeake and Ohio was weak, declining to 64. Most of the activity was confined to a few shares. The selling of American Cotton Oil stock was supposed to come from concerns identified with the management. The market closed at the low prices that prevailed near the close.

It is apparent to observers that speculation as a class are disposed to hold off until before taking an aggressive position. It is admitted that there are still many elements of uncertainty which are calculated to have a restraining influence on speculators and even investors. Until these matters are in more definite form and show signs of being permanently cleared up it is thought that the market will continue to drag.

The Associated Copper Company issued their statement showing the earnings for eight months up to Dec. 31, 1912, having changed from April 30 to correspond with the calendar year. This report shows that the earnings for this period was as large as for the previous full year.

The United States Government report of the country's agricultural exports for April of 1913 breaks all records for that month. Another item of interest published by the Government was the report of cotton consumption during April. This amounted to 68,877 running bales, or about 13,000 more than for March.

Football Game Stated by Richmond.

Football Game, the polo player and hunter, who inherited a generous share of the millions of the late James A. Smith, his father, was made the defendant in a suit filed in the Supreme Court to-day by DeLamater for a balance of \$300.00, which the complaint alleges is due the Fifth Avenue restaurant for food, drink and attendance.

## ARTHUR MURPHY LEADER OF BRONX DEMOCRATS.

Gets Four Out of the Six Votes of the District Chieftains Above the River.

By a vote of four to two Arthur Murphy, former Tammany district leader in the Bronx, was today elected chairman of the Executive Committee of Bronx County. The chairmanship carries with it the leadership of the new county. Eugene McGuire got the two votes.

It is claimed that the election of Arthur Murphy is a victory for Tammany. Charles F. Murphy, inasmuch as Murphy of the Bronx and Murphy of Manhattan recently patched up their former grievances and that the Tammany leader had urged that Arthur Murphy be named for the county leadership. Tammany Leader Charles F. Murphy said to-day: "The Bronx is attending to its own matters. I know nothing about what is going on there."

Both Arthur Murphy and Eugene McGuire resigned their respective district leaderships following Charles F. Murphy's interference with the plan to make a county of the Bronx. When Murphy finally yielded after a year and the county plan went through both Murphys got together.

Bill Against Horse Cars Voted. ALBANY, May 15.—Asserting that it is defectively drawn and printed, Gov. Sulzer to-day vetoed the bill making it unlawful to operate horse cars in cities of the first class. Under it the companies might issue securities in amounts determined only by themselves, he said.

## A CHILD'S WASTE CLOGGED BOWELS.

Makes it cross, peevish, restless and feverish — If tongue is coated give "Syrup of Figs."

Children dearly love to take delicious "Syrup of Figs" and nothing else cleans and regulates their tender little stomachs, liver and bowels so promptly and thoroughly.

Children get bilious and constipated just like grown-ups. Then they get sick, their tongues are coated, stomach sour, breath bad; they don't eat or rest well; they become feverish, cross, irritable and don't want to play. Listen, Mothers—for your child's sake, don't force the little one to swallow nauseating castor oil, violent cathartics or harsh irritants like calomel pills. A teaspoonful of Syrup of Figs will have your child smiling and happy again in just a few hours. Syrup of Figs gently cleans, sweetens and regulates the stomach, makes the liver active and moves on and out of the bowels all the constipated matter, the sour bile, the foul, clogged-up waste and poisons, without causing cramps or griping.

With Syrup of Figs you are not drugging or injuring your children. Being composed entirely of luscious figs, senna and aromatics, it cannot be harmful. Full directions for children of all ages and for grown-ups plainly printed on the package. Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious tasting, genuine old reliable. Refuse anything else offered.

For Rockefeller Foundation. ALBANY, May 15.—The Foley bill incorporating the Rockefeller Foundation, "to promote the well-being of mankind

throughout the world," was signed yesterday by Gov. Sulzer. Among the incorporators are John D. Rockefeller, John D. Rockefeller Jr., Simon Flexner and Starr J. Murphy.
